Keeping families close™

## Food Program Volunteer

### **It's a pleasure to meet you. Now, let us introduce ourselves!**

Ronald McDonald House Charities (RMHC) Toronto keeps families close. We encompass a House for 81 families in downtown Toronto and seven in-hospital Family Rooms across the Greater Toronto Area and in Northern Ontario. We strive to provide a sense of normalcy for our families during a chaotic and traumatic time and provide a variety of programs and services to support the whole family.

### **What's in it for you:**

This is an opportunity to gain knowledge and experience in the world of family-centred care, to gain a deeper understanding of the issues faced by families with a sick child, and to know at the end of each shift that you have made a difference in the lives of our families.

### **Why we want you:**

We are looking for people who enjoy working with and supporting the Manager of Food Services and the volunteer groups who come to the House and provide a dinner for the families and their children while they are staying with us.

You will assist the Manager of Food Services as well as the volunteer groups who come into the House. You will be able to help the volunteer groups navigate the kitchen and stay on schedule. During this time, you will also be able to interact with the children and families staying at the House.

### **Skills you need:**

Do you enjoy volunteering in a setting where every day can be different and where you are still making a difference? Would a highlight of your day include working with a smiling, imaginative, enthusiastic group of volunteers? Do you enjoy multi-tasking, planning, and assisting a team? Are you able to uphold boundaries and confidentiality?

### **Commitment:**

Available shift times are:

**Thursdays:** 2:00pm – 6:00pm

**Sundays:** 2:00pm – 6:00pm

We are looking for volunteers who can commit to a weekly shift for a minimum of 6 months.

**Why:**

We need people who are reliable and responsible. We need to create an environment of support through continuity, consistency, and familiarity for our families. This is especially important to the children in our House. They will remember you because of your warmth and friendliness, and they and their parents will look forward to seeing you again.

**We can't budge on:**

A current Vulnerable Screenings Police Check and three current references.

**Interested?**

**Anything else?**

Your orientation and training will be provided by the People & Culture team and the Manager of Food Services.
